MUNI MEMO TO YOU

THE NEW HALL OF JUSTICE

Twenty-six months of planning and over three years in building have produced this impressive $15,600,000 structure. Financed by a bond issue which was given overwhelming approval by the voters in 1956, it houses the agencies which relate to the law enforcement field. Along with headquarters for the Police Department and Police Academy, three Municipal Traffic Courts in addition to the Juvenile Bureau function here.

Traffic Fines Bureau moved from City Hall into the new Hall of Justice; you may now pay your traffic tickets in this handsome setting.

We suggest you take a bus ride and inspect this building yourself. Located at 880 Bryant between 6th and 7th Streets, you will find it is easily accessible by Muni bus. The Lines #25 Bryant and #27 Noe pass right in front while #19 Polk and the #33 Ashbury run within just a block.

LINE DETAILS:

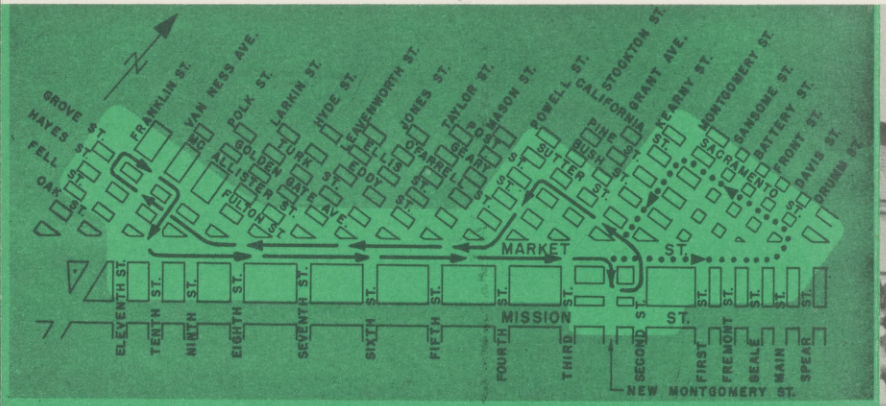
MERRY CHRISTMAS, HAPPY HOLIDAYS TO ALL FROM YOUR MUNI

All of a sudden—and every year it's the same, "all of a sudden"—the Holiday Season is upon us. And with this big, quick transition to the wonderful and extraordinary time of year with its preoccupations of Christmas shopping, card lists, tree and decoration planning, such things as fallout shelters and the outer space race take a back seat.

Your Muni wants to help make this Holiday Season the best ever for you. Your Muni operators are prepared to again take you safely and efficiently to shopping destinations in all parts of San Francisco as well as to the downtown area with its jillions of always-tempting gifts.

HERE'S THE ROUTE OF THE DOWNTOWN SHOPPERS SHUTTLE



Coaches make a continuous circuit from Van Ness and Grove via Grove, Polk, Market, New Montgomery, Jessie, 2nd, Post, Stockton, Market, Hayes, Franklin, Grove to Van Ness. Between 11:30 a.m. and 1:30 p.m., the line is extended to the financial district from Market and New Montgomery via Market, Drumm, California, Montgomery, Post and thence to regular route.

But there are so many of you Christmas shoppers that the average weekday contingent of more than 655,000 Muni riders is quickly swollen to almost fantastic totals. This understandably creates problems, and we'd like to ask your cooperation and help in order that we will be better able to serve you.

Specifically, we ask your help in: having the correct change ready as you board; getting off in the rear door, not the front; using the Muni as much as possible during periods other than the already-jammed rush hours of 4 to 6 p.m. Your cooperation will enable us to serve you better, and thus make this the Merriest Christmas and the Happiest Holidays for all of you!

A BIG BARGAIN . . . is still available—especially for Christmas shopping. Why walk when for just 5¢ you can ride around a large part of the downtown shopping area and thereby render purchasing a pleasure not a laborious chore. Check the map as outlined here to better acquaint you with the Shoppers Shuttle route. These coaches operate between the hours of 10:00 a.m. and 3:00 p.m. They are easily identified as they fly a yellow flag imprinted "5¢." Cash is required—no transfers allowed. We're sure you will agree it is a big nickel's worth!

LINE #29 EXTENDED

Line #29 Visitacion Route has been extended to a new terminal on Mansell at Hamilton at all hours of operation. Also, daily operation in Visitacion Valley will be via Visitacion Avenue, between Rutland and Bayshore, before 6:00 p.m., and via Arleta between Rutland and Bayshore, after 6:00 p.m. Before 6:00 p.m., route for trips leaving Candlestick Cove will be via Candlestick, McKinley, Candlestick, Blanken, Bayshore, Visitacion, Rutland, Tioga, Wilde, San Bruno and Mansell to Hamilton; and returning via the reverse of this route. After 6:00 p.m., route will be via Arleta instead of Bayshore and Visitacion. Operators have been requested to be particularly careful to wait for approaching coaches and passengers at transfer points.

THEIR COURTESY IS REWARDED

"I boarded bus #37 at Glenview Drive about 12:30 p.m. along with four small children. Upon reaching the Twin Peaks School, the bus driver personally escorted the children across the street. There were no traffic guards at the crosswalk at this time of day, and I thought it was very courteous of the driver to take this extra precaution for the small children."

Because of this and numerous other gestures of courtesy, Warren Weidinger became the 125th "Muni Man of the Month." Winner of five Safe Driver Awards, Warren's history of safety and prompt courtesy combined dates back to 1947 when he joined hands with the Municipal Railway.

Another recent entrant of this select "Winners Circle" is Paul L. Young. Paul has been an operator on the #36 Miraloma route for

Meet Muni Men WEIDINGER and YOUNG—your safety is their concern.

the past 10 years and has prompted many of his steady customers to write us in praise of his constant displays of courtesy. He has been the recipient of 8 of the National Safety Council's Safe Driver Awards.

If you have a nomination for "Muni Man of the Month" please send it to the address below. The monthly award winner receives $50 donated by Fielder-Sorensen & Davis, our transit advertising firm.
